   b. New County Commissioner

IV. Other Business

V. Adjourn

VI. Presentation and Tour of Medical Examiner’s Office
April 17, 2019 Meeting Minutes
Pinellas County Medical Examiner’s Office
10900 Ulmerton Rd, Largo, FL 33778

The Youth Advisory Committee reflected on the volunteer day and community outreach event at Heritage Village.

The Youth Advisory Committee mentioned and discussed ideas for next year.

Moreover, the Youth Advisory Committee took a tour through the Medical examiner’s office where we viewed labs that analyzed DNA strands and filaments using gel electrophoresis and other technical and efficient processes. In addition, there were elements that were being tested for the overall presence upon drug compounds. The tour guide explained to the Youth Advisory Committee about the statistics of the most common elements inside of drugs being sold across the streets and at markets, the occurrences of sexual assault and how it can be determined through DNA fingerprinting and situ hybridization. In addition, the tour guide mentioned the statistics about the causes of death for the victims in Pinellas and Pasco County.

The Meeting was adjourned.
