RE: FEMA Elevation Certificate Revision

FEMA ELEVATION CERTIFICATE ADVISORY

Please be advised the FEMA Elevation Certificate has changed. FEMA will permit a "phase-in" of the revised Elevation Certificate on a voluntary basis. During the 12-month transition period beginning August 1, 2012, we will accept either the new form (086-0-33) or the old form (81-31). Elevations certified after the last day of the transition period must be submitted on the new Elevation Certificate form (086-0-33) with the expiration date of July 31, 2015.

The revised Elevation Certificate form (086-0-33) is available as a fillable PDF on our website at <http://www.pinellascounty.org/build/>, or as a hard copy form from our office.

****Key Dates:**

**Present to August 1, 2013 either (086-0-33) or (81-31) will be accepted.
August 2, 2013 and forward only (086-0-33) will be accepted.**
