

**DO YOU HAVE  
QUESTIONS ABOUT  
RETIREMENT?**

**I'M  
HERE  
TO  
HELP**

You don't have to be an expert on deferred compensation to get the most out of your plan. Whether you've been enrolled for years or are just getting started, I'll answer your questions and help you:

- Identify your retirement goals
- Enroll in your employer's plan
- Determine your contribution level
- Determine your investor profile
- Keep track of your plan over time

Remember, it's your plan. Don't hesitate to call me if you have any questions. I'll help you every step of the way.

Investing involves market risk, including possible loss of principal. Actual results will vary depending on your investment and market experience.

Nationwide representatives cannot offer investment, tax or legal advice. Consult your own counsel before making retirement plan decisions.

**Contact me — I'd be happy  
to answer your questions.**
