

Biometric Screening and Health Survey Physician Results Form Cheat Sheet

To save \$500 in 2022, complete your lab work, get your physician signature on the results form, upload it to Quest, and complete the Rally health survey by December 31, 2021.

Use the Physician Results Form if you prefer to:

- Get lab work that's ordered by your doctor which may include additional tests not required for a biometric screening (such as thyroid).
- Use LabCorp or another in-network lab (this requires your doctor to order the labs).
- Go to a convenience care clinic such as CVS or Walgreens.

Biometric Screening

1. Log into UnitedHealthcare at myUHC.com (Chrome browser is recommended). Scroll down to select *Rally* from the Quick Links.
2. When you log in to Rally for the first time in 2021, the survey may appear immediately. To bypass the survey and continue to the next screen, click the Rally logo in the top left corner.
3. Click the *Rewards* tab, scroll to *Complete a Biometric Screening* and click *View Dashboard* and *Register Now*.
4. You'll be redirected to the Quest website to register.
5. Select *Order Form* under *Provider/Physician Form*.
6. Select *Download Form* and print the Physician Results Form.
7. Complete your screening:
 - a. **Option 1 - In-network lab such as BayCare or Labcorp:**
 - Have your doctor order the lab work. Make sure it includes all required items.
 - Schedule an appointment at the lab of your choice
 - When you receive the results, ask your doctor to complete and sign the form.
 - b. **Option 2 - Convenience care clinic such as Walgreens or CVS:**
 - Ask the pharmacy staff who does the screening to complete and sign the form.
8. Submit your form:
 - a. Sign the completed form.
 - b. Return the form by fax or electronically using the *Upload Form* button on the Rally/Quest website. You'll receive results by email and can view them on the Rally/Quest website.
