

## 2021 Wellness Incentive: Chronic Condition Management

1. Open only to those with a chronic diagnosis such as diabetes, heart failure, coronary artery disease, asthma, and COPD.
2. Earn up to 25,000 reward points or \$100 cash. Program completion may exceed the annually allotted 50,000 reward points and \$200 cash maximum.
3. To enroll, call UnitedHealthcare (UHC) at (888) 478-4752. UHC may also reach out to you by phone if they identify you as a qualified candidate.
4. Following program completion, the incentive will be rewarded at the next [semi-annual payout](#).

Chronic Condition Management	Rally %	Reward Points	Cash	Employee	Spouse (on County plan)	Opt Out
Support to manage a chronic diagnosis	50%	25,000	\$100	Yes	Yes	No

### **What is the Chronic Condition Management program?**

Do you or your spouse/domestic partner have a chronic illness such as diabetes or a heart condition? Facing a long-term illness can take a huge toll. The Chronic Condition Management Program offers personalized support to help manage your medical condition and enjoy life to its fullest. Schedule phone conversations with your registered nurse case manager at a convenient time for you. The case manager provides a variety of resources and referrals including financial assistance.

### **Will Pinellas County staff know that I am enrolled in the program?**

Wellness and Benefits staff receive confirmation of program completion in order to process the incentive rewards. Your privacy is always protected by HIPAA. Any medical or personal information is kept strictly confidential by your nurse case manager.

### **Can I enroll in Chronic Condition Management and Wellness Coaching at the same time?**

Yes.

### **How do I get more info?**

Contact the UnitedHealthcare Nurse Liaison Amy Hertog by [email](#) or by phone at (727) 464-5579.
