Influencing through Positive Leadership

An organization's social and political landscape can provide opportunities for positive leadership, influencing others in order to accomplish team and company goals.

In this course, you will discover methods and strategies for effectively influencing a team to accept your ideas. You'll be introduced to the importance of political awareness and the essential skills involved in utilizing positive influence, while avoiding the negative, when persuading others. You'll also have an opportunity to practice methods for influencing effectively and ethically.
