Being an Effective Manager When Times Are Tough

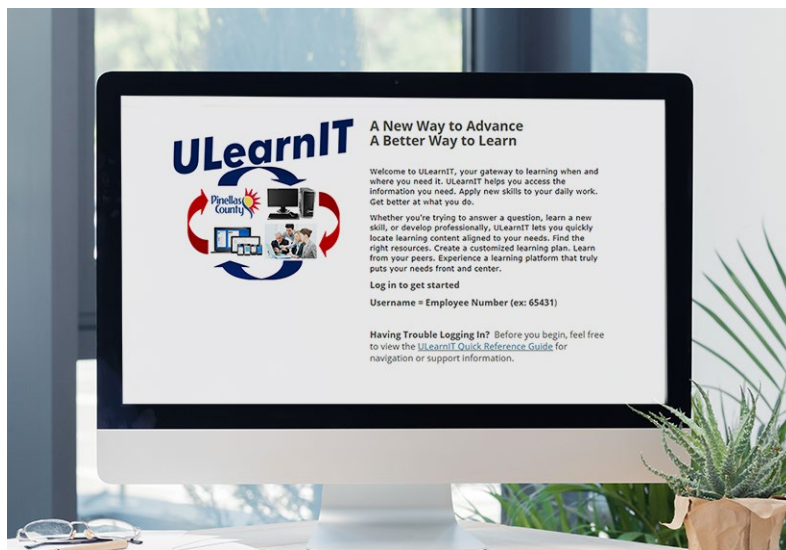

Most companies will eventually face tough times, and it's during these times that your role as a manager is vital. The employees you manage will depend on your leadership to help see them through and shying away from tough conversations may only make the situation worse.

In this course, you'll learn specific strategies for weathering difficult times, including ways to reduce costs, how to hold difficult conversations with employees and secure their support, and what alternatives to consider before laying off staff. For when there's no other choice you'll learn how best to plan and implement staff reductions and how to deliver the difficult message. You'll also learn about opportunities you can use to strengthen your organization during difficult times.
