Ethics and Project Management

Do the right thing but make sure you do it on time, under budget, and within scope, all the while maintaining your professional integrity in a constantly evolving global business environment. How do project managers do it, given that most ethical dilemmas are not black and white and usually require diligent deliberation?

This course provides an introduction to how the project management community and the Project Management Institute (PMI®) have established standards of ethics to help members navigate the sometimes murky waters of ethical issues, keeping with the vision of establishing project management as a professional industry.
